Our Story

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter he started working in travel, creating unique tour experiences in Europe.

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with co-founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father's legacy in his roles as a co-owner and an active board member.

Our European Heritage

Since Rudi grew up along the banks of the Danube, each of our itineraries in this region is thoughtfully curated with the most authentic excursions, all under his guidance as the "Godfather of River Cruising." Rudi and Kristin's European heritage, along with relationships forged over the years, has also granted us special access to exclusive events just for our guests along the Danube River – and throughout Europe.

NEW! *Best of the Danube* – Rudi's Top Choice for 2025

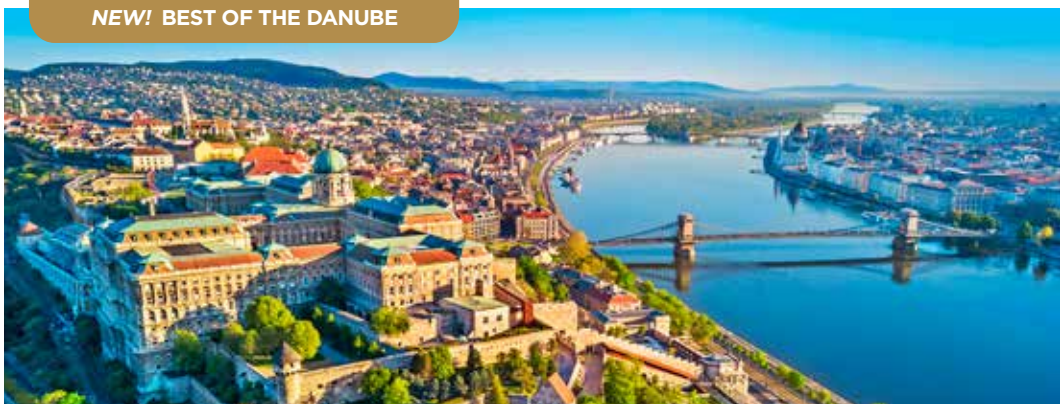

Many first-time river cruisers eager to explore Europe are looking for guidance on the best and most convenient way to experience sought-after cities from Vienna to Budapest to Bratislava. Rudi and our Operations Team designed the perfect solution, wrapped up in one spectacular new itinerary: our 7-night *Best of the Danube*. With an abundance of scenic cruising through inspiring landscapes such as the Wachau Valley, an emphasis on extended time for discovery with overnight stays in Vienna and Budapest, and the ease of traveling roundtrip from Budapest, this special itinerary through Hungary, Slovakia and Austria is Rudi's top choice for 2025 – be among the first to experience it!

Featured Excursion: "Imperial Vienna" Carriage Tour

A favorite destination of our Vienna-born Co-Founder, this city is renowned for its classical music scene, its coffee houses, and its many imperial sites, including the stunning Schönbrunn Palace and majestic Hofburg Palace. On your first of two days in Vienna, during this never-before-offered excursion, you can tour the historic city center on a Fiaker, or horse-drawn carriage, as a traditionally costumed coachman regales you with fascinating stories along your route, offering a new perspective on this sophisticated city.
